Homeless CareKit Update

On January 12, 2023, members of the ASIS Chicago Chapter, Dan DiCristofaro, Kathy MacIntosh, Val Mertens, and Stephanie Gonzales met at the offices of Physical Layer Technologies, Inc. (PLT) in Warrenville, Illinois to put together the care kits for the homeless that were the focus of the fundraiser at our Chapter Holiday Luncheon. The team put together twenty-four high-quality care kits for the homeless which were made possible through the generous item and monetary donations that members and their guests made at the Chapter Holiday luncheon in December 2022. Twenty of the completed care kits were dropped off on January 30, 2023, at the ReVive Center for Housing and Healing which distributed them to its homeless residents. The remaining four care kits were distributed over the next week to people that Stephanie Gonzales, Coordinator of this project, passed on the street. Once again Stephanie is so very thankful and grateful to our ASIS Chicago Chapter members and their guests for their generosity and support with this charitable drive.

DO YOU FEEL OVERWHELMED BY THE EMAILS BEING SENT FROM ASIS?

We have heard from several Chicago members that they feel inundated and overwhelmed with emails from the Chapter. We as a Board and Chairs, do our best to keep our Chapter communications to a minimum. We send out one to two announcements per week for our upcoming events and increase the frequency the week of so that those whose schedules free up at the last minute can attend.

As we investigated this issue further, we believe that perhaps the root of the “too many emails from ASIS” are from International, specifically, the Community Connections emails. Based on your selected preferences in your International profile of interests/expertise, International will then send those applicable Community emails. Those notifications can be modified by going into your ASIS International profile and changing your ASIS Connected Community Settings and/or your email & communication preferences as follows:

Step 1: After logging into ASIS International, click on My Information, select My Account, and then in the ASIS Links box to the right - My Communication Preferences.

Step 2: After making and saving changes scroll to the bottom of the page and click on ASIS Connected Community. Click on My Connections to see which ASIS Communities you are enrolled in and determine how often you want to receive them - daily or weekly. Make your changes and then hit save (also check to see who you are following).

Step 3: Move to the My Community Tab and select Email Preferences and verify or change your preferences and hit save. In this same tab, select Communication Notifications and do the same.

Need help? Call ASIS International Membership (703-519-6200) and they can help walk you through the process.

ASIS Chicago Certified Protection Professional (CPP) Study Group Update

Hello Security Professionals,

Registration begins **March 3rd** for our 2023 ASIS Chicago CPP Study Group. The Study Group starts Monday, 04/03/2023 and runs eight weeks, and ends with the last session on Saturday, 5/22/2023.

The Study Group is 8 weekly sessions; including two in-person sessions and 6 Zoom sessions. The first in-person session is tentatively set for Monday, April 3rd, and the other in-person session is Wednesday, 4/26/2023 (tentatively). All Zoom sessions are Saturdays at 9 am to 10 am.

The CPP Study Group is coordinated and hosted by ASIS Chicago. If you wish to learn more or register for the group then make sure to reach out to Paladin "Pj" Jordan, ASIS Chicago Certification Chair at paladin@pjda.net.

LOOKING FOR A CHAPTER MENTORSHIP PROGRAM CHAIR:

Recently she shifted to an Account Management role at Dataminr where she helps public sector and first responder customers get real-time, breaking news alerts to help them make critical decisions with confidence. She has a BA in Technical Management from Devry University and resides in Skokie. She is excited to be a new member of the ASIS community and learn more about the topics most important to her customers in the security and safety community.

2023 Change to Membership Access to the ASIS International Protection of Assets (POA)

Due to a change in ASIS International's policy regarding the availability for Chapters to provide a yearly subscription to the Protection of Assets (POA) to its Chapter members, the Chicago Chapter is no longer able to provide this service. There will be a new version of the POA that has been heavily updated and revised by International and will be available from the ASIS International Store in late January at the cost of \$499 for Members and \$699 for Non-Members. Please note that this new version will be easier to maneuver and purchase of the eBook version of the POA will allow the user/owner to copy and paste and print out pages from the electronic version. We regret that we can no longer provide this benefit to our members. Wishing all our members a happy and prosperous New Year.

Making Profile Changes to your ASIS International & Chicago Chapter Profile

Did you know that if you make changes to your ASIS International Profile, you have to go into your Chicago Chapter Profile and do the same? Yes, unfortunately, when an International & Chicago member makes a change to their profile in either system, the changes do not carryover. Thus, if you change jobs, change emails, add a certification, etc., you must make those changes in both systems. So, periodically check your International and your Chicago Profile for accuracy and up-to-date information. Your profile is only as good as you keep it current.

We are Moving LinkedIn Pages

Hello everybody! Currently, there are two different LinkedIn pages for the ASIS Chicago Chapter. One of the pages is a private group page and the other one is a public company page. These two different LinkedIn pages can often cause confusion on where to look and interact with. Due to these issues, we as a chapter will no longer be supporting or posting on the private group page. All social media content moving forward will be posted on ASIS Chicago Chapter's public LinkedIn page. This new change will give us the option to attract new members to the chapter and upcoming events. If you have not done so already then make sure to follow the new public LinkedIn page to stay up to date with events and chapter news!

Thank You for a Great Women in Security and NextGen Event!

ASIS Chicago Women in Security and NextGen celebrated its first event of 2023 at South Branch Bar on February, 22nd along the Chicago River. Thanks to our amazing sponsorship partners we were able to provide a great space, an open bar, and delicious appetizers.

We clinked glasses with old and new colleagues who share a passion for keeping Chicago safe. As you moved through the crowd you could hear the buzz from new connections being made, the sharing of ideas, and emerging leaders inquiring about how to gain support, build confidence, volunteer, and advance in their careers.

We have more exciting events planned including our upcoming Emerging Leaders Conference on Thursday, May 18th. This event will feature great networking opportunities with leaders in our industry and rising stars all in support of the Next Gen and Women in Security programs of ASIS-Chicago.

We are seeking additional sponsorships to continue providing opportunities for membership, mentorship, networking, and the option to obtain professional certifications through ASIS. For more information, please contact Suzanne Monreal, CPP, Women in Security Chair, at smonreal@titan-security.com.
